Charly Paponneau

IT Engineer chez Soho House & Co

Soho House & Co • 42

London, United Kingdom • 12

Young skilled worker.

Networking as ground knowledge I quickly learned about most technologies in use in the industrial field. Troubleshooting and adaptability as main skills I've now come to manage the creative side of IT. My favourite is the brain work of finding and realising system solutions, plus the feeling when it comes live. [See less](#)
